Why Us?

Are you looking for an opportunity to work with a dedicated team of individuals committed to doing meaningful work? We have built a welcoming atmosphere that promotes the sharing of ideas, supports each other and tackles issues that directly impact our local communities. If you are the type of person that would be excited to support impactful programs for the fastest growing county in Ohio, we would love to speak with you.

If you already have an EPA Wastewater License, this posting is for you. If you don't yet have your license, but are interested in working towards it, please apply for our Relief Operator posting instead.

It is our goal to recruit, train, and retain the most qualified and productive staff for Delaware County; to promote mutual trust and respect for each other; and practice open and timely communication with the expectation and confidence that people will do the right thing. We hope to provide an opportunity for all employees to develop their potential and make the best use of their abilities.

What we are looking for

Delaware County has open opportunities for career minded individuals with our Regional Sewer District. We offer great benefits, professional growth opportunities, and competitive wages all located in beautiful Delaware County.

Are you done looking for just a job and ready to start a career instead? If you want to be part of a high integrity team that cares about our community, consider starting a career with us. Pay is based on both work/life experience and we offer clearly defined paths for advancement. A high school diploma or equivalent and a valid Driver's License is required.
