

Elyria Water Workshop Webinar

6.0 Ohio EPA Water Contact Hours

Thursday, April 22, 2021

COST: \$165 PER REGISTRANT REGISTRATION INCLUDES

6.00 Total Contact Hours Available

WHAT IS A WEBINAR?

OTCO has been providing in-person training since 1947. Now using the internet, we can offer the same excellent training in the comfort and convenience of your home or office as a "webinar" and still earn contact hours.

Each presenter will share their PowerPoint and provide an overview for attendees to follow along with. Attendees will be able to ask questions via voice or live chat at the end of each presentation. We will even have follow-up surveys and test so we know what you thought of the presentations. It will be exactly like you are sitting at the workshop except there is no travel required!
