

Fairfield County Utilities Department Chief Water Operator

The Fairfield County Utilities Department is accepting applications for Chief Water Operator. Under the supervision of the Deputy Director of Field Operations, the Chief Water Operator is responsible for the day to day operations of three water systems in the Water Division. Duties include supervising all plant and distribution system personnel, monitoring the activities of all treatment plants and distribution systems, coordinating the meter reading activities and completing all required reports.

The mission of Fairfield County is to ensure high quality services at an exceptional value to its customers. Successful candidates will further the mission of the Fairfield County Commissioners and provide exemplary service to the public. The successful candidate must follow county policies and exhibit a professional demeanor at all times.

Candidates for this position must have at least 5 years of experience in the water service industry, an Ohio Class III Water Operators Certification and possess a valid State of Ohio Driver's License. Supervisory experience and knowledge of Ohio EPA and local regulatory requirements, along with good verbal and written communication, is preferred.

This is a full-time position with occasional on call hours. The starting rate of pay for this position is \$25.11 per hour and includes full county benefits.

Applicants should go to <https://mss.co.fairfield.oh.us/ESS> and complete an online application and attach a letter of interest and resume. All applications must be submitted online. NO phone calls please.
