### **Summary:**

The Equipment Operator is responsible for day to day operations including operating an Excavator, Backhoe / Front-End Loader, Jet Vacuum Truck, Sewer Camera Equipment, Dump Truck and Tanker Truck to maintain and clean the collection system for the Water/Wastewater Department.

### **Duties:**

- Demonstrates regular and predictable attendance.
- Promotes and maintains positive and effective working relationships and promotes good public relationships as a representative of Licking County Government.
- Operates VAC truck to clean sewer mains, manholes, step tanks, pump station wet wells, etc.
- Inspects sewer lines, leaks and/or breaks by operating the Closed Circuit TV camera equipment.
- Operates and maintains department equipment (i.e., back hoe, front loader, tractor, dump truck, tanker).
- Responds to routine and emergency situations/service calls related to the collection system.
- Performs preventative maintenance and repairs on VAC truck and equipment.
- Performs water/wastewater operator duties as needed.
- Meets all job safety requirements and all applicable OSHA safety standards that pertain to the essential functions of the position and all agency safety procedures.
- Remains informed of current developments and procedures pertinent to duties; may be required to attend seminars/training.

**Application Procedures:** Submit completed application, resume and cover letter to the Licking County Human Resources Department, 20 South Second Street, 3<sup>rd</sup> Floor, Newark, Ohio 43055. Applications can be obtained in person in the Human Resources Department between 8:00 a.m. and 4:30 p.m. daily or printed from the web site at [www.lcounty.com](http://www.lcounty.com).

Successful candidates will be subject to Licking County's pre-employment drug screen and background check

Licking County is an Equal Opportunity Employer.
