

Northstar Contracting Inc. is looking for a part time Class 1 Wastewater Operator for the Lake Berlin Treatment Plant at the Millcreek Campground in Berlin Center, Ohio. Please note the following requirements:

- The individual is required to meet the Ohio Environmental Protection Agency (EPA) time onsite requirements for a Class 1 Wastewater Operator.
- The Operator shall possess a valid license from the State Board for Certification of Sewage Treatment Plant Operators.
- The operator is required to correctly annotate their time spent and work performed at the facility in the official log book per the Ohio EPA regulations.
- The Operator will ensure that the proper sampling is performed when scheduled in accordance with Ohio EPA regulations.

Current onsite schedule is 2-3 partial days per week. Compensation to be negotiated.

Interested applicants should contact Jason Mango with Northstar Contracting Inc. at (234) 567-6756 or jason@ohionorthstar.com.
