

Village of Attica

Water Treatment Plant Operator Class II, Wastewater Operator Class I, Maintenance

The Village of Attica, Water/Wastewater Treatment Facility is seeking a Utility Plant Operator to work weekdays, weekends, and holiday coverage. Rotation will be required.

This will be a full-time position with benefits including health care, life insurance, sick leave, vacation, paid holiday's and OPERS retirement. Wages will be determined on EPA licensure and experience.

Description: Under the supervision of the Water/Wastewater superintendent and Village Administrator. The position will assist with various phases of work involved in the water/wastewater. Tasks include, but are not limited to:

Assist in the operations of treatment facilities: make rounds of plants, record numerical values and data, perform lab analysis, regulate flow to the plant, operate pumping equipment and stations, grease equipment.

Meter Reading Duties: monthly reading of water meters, working closely with the billing clerk.

Streets, Building, Grounds and Park Maintenance: mowing, weed wacking, snow plowing, brush and trash hauling, operation of power tools and machinery.

Janitorial Duties: clean buildings, trash, equipment cleaning and maintenance.

Abilities: Must be in good physical condition and able to work in all weather conditions. Also, must be available for emergency repairs 24/7. Dependable, self-motivated, able to follow detailed instructions, work independently, valid drivers licence, and maintain a good work record. Probationary period of 90 days.

Required Knowledge and Abilities: Minimum requirements of a: Class II Water Treatment Plant Operator Licence and Class I Wastewater Treatment Plant Operator.

Please Email Resume to the Village Administrator Greg Martin at voagmartin@gmail.com ; or Village Fiscal Officer Michelle Gullett at voakrebs@bright.net ; or you may deliver in person to Village Hall, 20 South Main Street, Attica, Ohio 44807.
