

HELP WANTED

The Village of Marblehead, Board of Public Affairs is accepting applications for an Assistant Chief Operating Engineer. A Class III license is required.

Assistant Chief Operating Engineer reports to the Water Plant COE/Superintendent and works on an assigned shift as directed. The Assistant Chief Operating Engineer is responsible for safe and efficient Water Plant operations and assumes responsibility of the COE during his/her absence. This position requires a State of Ohio Certificate Class III Operator License in Water Treatment.

Application form and job description are available on the village website at <https://www.marbleheadohio.org/government/employment-opportunities/>. Applications and any attachments may be emailed to Water Superintendent Tony Joyce at marwater@cros.net or mailed to Marblehead WTP, 106 Water Street, Marblehead, OH 43440. Questions may be directed to Tony Joyce at 419-798-5836.
