

HELP WANTED

The Village of Marblehead is accepting applications for a full-time, licensed Water Operator. Pay range is \$25.65/hr. - \$32.74/hr. based on license and experience.

Plant Operators are responsible for operation of chemical feed systems, required process control, testing and analysis, filling day tanks and calibration of chemical feed pumps. Duties also include performing service order work, meter reads and meter change outs, leak detection, emergency shut off and additional duties as assigned. Operator must have the ability to do heavy manual work under varying weather conditions and to work outside for extended periods and walk long distances. Shift work and holiday and weekend work required.

Email resume to: Fiscal Officer Rhonda Sowers at marblehead.ohio@cros.net. Questions may be directed to Water Superintendent Tony Joyce at 419-798-5836. Job descriptions are available at www.marbleheadohio.org/jobs.
