

WHAT IS A WEBINAR?

OTCO has been providing in-person training since 1947. Now using the internet, we can offer the same excellent training in the comfort and convenience of your home or office as a “webinar” and still earn contact hours.

Each presenter will share their PowerPoint and provide an overview for attendees to follow along with. Attendees will be able to ask questions via voice or live chat at the end of each presentation. We will even have follow-up surveys and test so we know what you thought of the presentations. It will be exactly like you are sitting at the workshop except there is no travel required!

6.00 Contact Hours Each Day

2 DAY REGISTRATION: \$320
