The Mahoning Valley Sanitary District (MVSD) treats approximately 21 million gallons per day of raw water from Meander Creek Reservoir and pumps it to Youngstown, Niles, and McDonald.

These communities distribute the water to residents and surrounding areas.

Youngstown distributes approximately 16 million gallons per day through 750 miles of pipelines to residents of:

- Youngstown
- Austintown
- Boardman
- Canfield Township
- Liberty Township

Sell bulk to

- Mineral Ridge
- Mahoning County*
 - *Jackson Township
 - *Milton Townships

and the Cities of:

- Girard
- Canfield
