**MARVELS OF MEDIA
FESTIVAL 2025
March 27–29**

The Marvels of Media Festival recognizes the outstanding media work of autistic media-makers through an exhibition, film screenings, and in-depth panel discussions. Emerging autistic media-makers will have a chance to learn from industry experts and independent filmmakers on the spectrum through professional development sessions and media workshops.

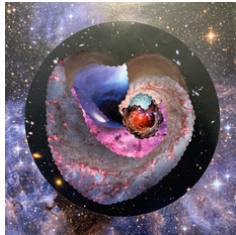

Collage Animation Workshop: .

Instructed by artist David Karasow.

The workshop welcomes autistic visitors and media-makers to join us for this

two-hour media workshop which focuses on creating collage art with paper, which is then animated to create a stop-motion animation short.

Mar. 29, 2025 4pm – 6pm.
