Withdrawal from the show does not entitle the entrant to a refund of any kind and any excess payment will be considered a donation to the show.

Cages and Supplies:

ALL benching is by Double Cage Space only. We have calculated our fees to be as low as possible to assist you, the exhibitor. No kittens under three (3) months of age will be allowed in the show hall (be prepared to show proof of age, if requested).

Benching spaces will be placed according to what is submitted on TOES. We are required to know whether you will need a Pop-up Shelter as there will be NO WIRE CAGES.

A grooming or exhibition only space is equal in size to a standard DOUBLE cage space (22" x 44"). Exhibitors are required to have an entry in the show to purchase a sales/exhibition benching space.

All cages MUST be covered on the top, sides, back and bottom. Cat litter will be provided free for ALL exhibitors; however, they are responsible for bringing their own litter pans. "End of Benching Row" requests will be honored to the best of our ability; preference will be given to disabled exhibitors first. Special Benching Requests will also be considered and honored to the best of our ability; only one (1) request per exhibitor will be considered. No negative requests will be considered. Show clerks will be benched first. Vending from the benching area is strictly prohibited.

Health Requirements:

This is a non-vetted show: **TICA Standing Rule 205.3-205.3.5:** Any cat/kitten showing signs of illness, parasites, or fungus will be escorted from the Show Hall. Any cat or kitten from a house or cattery where there has been fungus or any infectious or contagious illness within 21 days prior to the first day of the show is ineligible for competition. Texas law requires that all domesticated animals over the age of four (4) months be vaccinated against Rabies within the last twelve (12) months (proof of vaccination must be produced if asked by Show Management. TICA Show Rules require all claws (front AND back) be clipped prior to benching.

Registration:

With the exception of cats/kittens competing in the Preliminary New Breed, Advanced New Breed and New Traits classes, registration with TICA is not required to compete in the cat/kitten's first show, but is required for all TICA titles and scoring after the first TICA show.
