

SOLACE 210®

QUALITY COMES IN SMALL PACKAGES

The world's first medical grade, portable hyperbaric chamber.

With a 21" diameter, this chamber is the lightest, most affordable and practical model.

\$9,000 – 1.3 ATA

RESPIRO 270®

MAXIMIZE WITH OUR MID-SIZE

Combining functionality and comfort with a 27" diametric design to provide patients with increased freedom of movement, yet small enough to fit into any room.

\$15,000 – 1.3 ATA

VITAERIS 320®

MORE ROOM TO SHARE AND CARE

One of our largest portable models that serves as our flagship chamber. The Vitaeris320 is the most popular and prolific chamber worldwide among physicians, celebrities, athletes and families. The sizable 32" diameter allows for complete freedom of movement and provides enough room for two patients to treat simultaneously.

\$23,000 – 1.3 ATA

FORTIUS 420 – EXP®

HYPERBARICS MADE EASY– SPLIT CHAMBER

Our second largest and most versatile hyperbaric chamber Fortius420 - EXP is a market favorite. It comes with the capability of treating patients in up to 3.0 ATA (29 psi) operating pressure. This chamber boasts a considerable 42" diametric interior and is 62 inches in length. However, despite its large size, the Fortius420 - EXP has been designed to fit in most offices and clinics.

*expandable ring not included, please call your rep.

\$138,200* (2pc) \$158,300 (3pc) – 3.0 ATA

SPECIAL ORDER OPTIONS

QUAMVIS 320®

SIMPLE FOR PATIENTS TO HANDLE

Our newest and most innovative design has awarded this chamber model the most secure, soft-sided chamber within the global market. A spacious 32" diameter and exterior frame concept provides a large, non-obstructive interior and unique support system for patients to enter/exit the chamber with ease.

\$27,000 – 1.3 ATA

FORTIUS 420®

POWER IN PRESSURES

Our largest and most versatile chamber as physicians and patients have the capability to treat up to 3 ATA operating pressure. This chamber boasts a considerable 42" diameter and is designed to be easily installed into any clinic or home.

\$136,100 – 3.0 ATA
