

The Paul Gordon Magic Lecture

For Your Magic Club, Society and/or Convention

Member of The Inner Magic Circle with Gold Star

Since 1987, The Paul Gordon Close-up Magic Lecture has travelled the world. Paul has lectured at Tannen's Jubilee, Fechter's Finger Flicking Frolics (4Fs), Penguin Live, Murphy's At The Table, The Magic Circle (4 times), Monaco Stars of Magic, The Close-Up Symposium, Blackpool Magic Convention and in Ireland, Belgium, Denmark, Italy, Sweden, Spain, Israel, France, Germany & more.

The lecture is about commercial and doable worker card magic; magic from Paul's professional repertoire and best-selling Gold Dust Trilogy, Quidnunc and Article 52 Books/DVDs. It's a fun light-hearted lecture for both cardmen and non cardmen alike and is very popular.

It is rare to see a magician who can entertain an audience that much with just a deck of cards. Paul Gordon's lectures & shows are as funny as the magic he performs is strong. And his tricks are all very powerful effects.
