Notes:

We have 53 boats in the yard that need a hauler to haul/launch/move

We have 43 boats scheduled. We have accomodated changes requested to date

The remaining 10 boats are not scheduled and are in a to be determined (TBD) column. If any of these boats wishes to launch or move we will work to fit them in with the appropriate hauler

The tides are not great . Three of the seven launches have tides that are 9' or less
