

PIATTO RISTORANTE

August 1st to September 1st 2025

Our Hearts are with everyone in the Hill Country as they recover from the devastating floods.

This year, instead of participating in Houston Restaurant Weeks, we're turning our focus towards helping those impacted. We've created a special menu, and from now through the end of August, a portion of proceeds will go directly to Texas Hill Country Flood Relief efforts.

Join us in Supporting our neighbors - one meal at a time. ❤️
