DODGE BROTHERS CLUB

The Dodge Brothers Club, Inc. was formed October 1, 1983, at Hershey, PA to encourage preservation, ownership, restoration, and historical research of the Dodge Brothers Motor Vehicles and the Graham Brothers Motor Vehicles, model years 1914 through 1938. Incorporated in December 1986, the Dodge Brothers Club is a non-profit corporation with elected officers who volunteer their services as directors, editors, technical advisors, and members of special-project committees.

Currently, the Dodge Brothers Club membership spans the United States and Canada, with overseas members in Australia, Great Britain, New Zealand, Netherlands, Norway, Slovakia, Israel, and Uruguay. While most members own a DB or GB motor vehicle, ownership is not a prerequisite for membership. Some members are merely interested in the history of the Brothers, the history of their company, or are admirers of their vehicles. Annual membership dues are \$50, payable in U.S. funds only, drawn on a U.S.-owned bank, international postal order, U.S. money order, or U.S. Currency. New members may apply for a 6-month membership for \$25.

All membership inquiries should be sent to:

The Dodge Brothers Club News

Our bi-monthly magazine is an excellent source of technical data, hints, and a conduit for advertising vehicles and parts wanted, for sale, or trade. This quality magazine is assembled by our editor and publisher, Tracy Leshner. She welcomes articles, photographs, and data contributed by members and interested non-members. We are most proud of this excellent publication and encourage contributions from anyone with information about any aspect of the Dodge Brothers, their vehicles, their many automotive contributions, the corporate and associated business, the Dodge family, Dodge Main and former employees, and dealerships. Contributions are returned promptly after use if requested. If you have a story to share, please contact the editor:
