

9

1	2	3	4	5	6	7	8	9	10

Cue ball center table, place the one ball at the intersection of the first diamonds.  
 Put the two ball on the third diamond and the three ball on the fifth diamond.  
 Pocket the one ball in the corner pocket. Play shape for the two ball in the same corner.  
 Play the three ball in any pocket. As you get better with this shot, play the three in the  
 same corner as the other two balls.
