TAKING SAFETY TO THE NEXT LEVEL

A diagram of a SICK deTeC safety light curtain. It consists of two vertical yellow and black sensor bars on the left and right, connected by a series of horizontal red lines representing the light beams. The word 'deTeC' is written in large, bold, black letters with a blue outline across the middle of the beams. Below it, the text 'SICK SAFETY LIGHT CURTAINS' is written in a smaller, black, sans-serif font.

deTeC
SICK SAFETY LIGHT CURTAINS

Standardized connectivity and product-specific accessories

Safety- Serially with cascaded modules

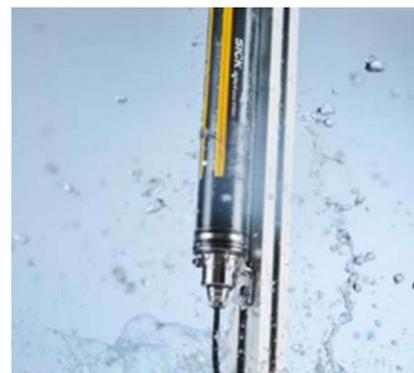

Uncomplicated integration into safety environments and system environments

Reliable against coolants or lubricants

Safety in explosive environments

Safest under high pressure

TAKING SAFETY TO THE NEXT LEVEL
