chandreshmaurya2001@gmail.com

As a dedicated and skilled Pharmacist with a Bachelor's degree in Pharmacy and certification in CCC, I am eager to contribute to a dynamic pharmaceutical team. I am committed to providing exceptional patient care and support, while continuously seeking opportunities to enhance my professional expertise and knowledge in the field. My goal is to leverage my skills in medication dispensing, patient counseling, and healthcare technology to improve outcomes and ensure the highest standards of pharmaceutical practice.

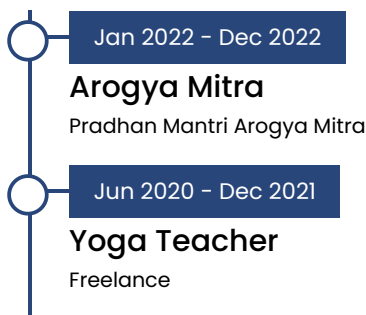

## Professional Summary

- Bachelor of Pharmacy graduate with a strong foundation in pharmacological principles and patient care.
- Certified in CCC, showcasing proficiency in computer and digital tools relevant to modern pharmacy practices.
- Experienced as a Yoga Teacher, indicating a holistic approach to health and wellness.
- Worked as Pradhan Mantri Arogya Mitra, demonstrating community health service and patient advocacy.
- Keen understanding of drug interactions, side effects, and proper medication management.
- Effective communicator with fluency in English and Hindi, able to provide clear patient instructions and guidance.
- Skilled in creating a positive patient experience through empathetic engagement and professionalism.
