

APPRENTICESHIP OPPORTUNITY

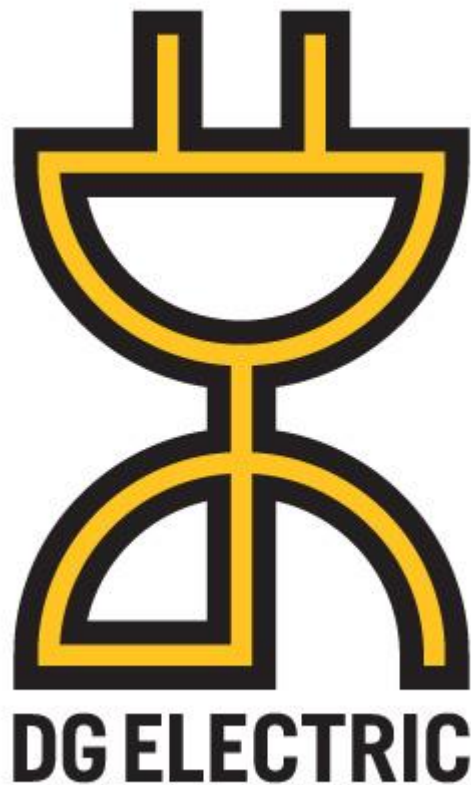

Don't miss your chance to become a JOURNEYMAN ELECTRICIAN

DG ELECTRIC is currently accepting applications for apprenticeship positions in the Kansas City area.

If you are interested in learning the electrical trade, DGE provides On-the-Job-Training and classroom instruction in the Electrical Apprenticeship program through Associated Builders and Contractors.

We are seeking individuals with strong work ethic, desire to learn and hold themselves to high standards.

Brighten your future with
DG ELECTRIC

- On-the-Job Training + Classroom Instruction
- Opportunity to earn a Journeyman's Certificate upon completion of 4-year program

Email info@dgekc.com for application

Subject line to read "Apprenticeship"

Seize the opportunity to let us know why YOU would be the best candidate for the DG ELECTRIC team.
