## GENERAL INFO

*Helpful tips to keep in mind before submitting your ad:*

**CONTENT IS KING** Don't rely on pretty images and design alone. Images and design are great to grab attention, but content is always more important. Who is your audience? What is the objective of the advertisement? Answering these and other questions will help you craft the right headline, use the right words, and choose the right call to action. Contact us, if you need help with your content.

**GRAB ATTENTION** Your ad should stand out in a way that compels people to read your message. Use attractive images, bright colors, and effective typography. Use a catch phrase to attract even more people to your message.

**NO IMAGES ARE BETTER THAN BAD IMAGES** Use high-quality, powerful images to establish a visual focus. If you don't have an eye-catching image that is high-quality, and tells a story, don't use one, or contact us for help. Pick a text-only design that plays with font sizes and colors instead.

**GIVE A REASON TO TAKE ACTION** Be clear on the desired outcome of your marketing campaign. How do you want your readers to react as a result of reading the information you presented? State your intention by using a "call-to-action" statement. Common calls-to-action are: Save now, Order now, Call today, Start a free trial, Sign up for free. Enforce this call-to-action by providing an incentive to act immediately: a limited time discount, a special free trial or a gift.

**PROOFREAD AND TEST** You would be surprised at how many reprints are done because of small errors. Proofread, read out loud, and then proofread again. Before sending to bUneke, in addition to reading it on your computer, print a few copies on your desktop printer, and test them with your target market. From those, you can determine, for example, if the title is big enough to be readable from an appropriate distance to those who would download a copy of the magazine.

**SPONSORING A STORY** Looking for a great way to showcase your products or services? Become a part of the story! Everyone is intrigued with those who care about someone or something greater than themselves. When you sponsor a story, you show your support and we give you a direct link to your site. This is the way to go for maximum exposure! Contact us today for a list of upcoming topics to find the one that connects with you, or let us choose an amazing subject for you.
