

## Hello!

## What's New

bUneke has so much going on it's hard to know where to start!

### "bUneke was There!"

We've started a new promotion that you can participate in, no matter where you live! We have a limited number of sizes and quantities of bU, Coffee or Tea, and MetaFest shirts remaining and we want to send one to

you! The plan is to wear a branded shirt to events and take selfies in front of landmarks or when you were at an event. You send the photos to [mary@buneke.org](mailto:mary@buneke.org) with a brief description of what's going on or what you saw that you found interesting. It can be an animal, a plant, a building, an event or an advertisement. We'll take your photo and add the bUneke was there information and tell the world where all of our supporters go. You don't NEED a bUneke shirt to do this. If you let us know you want to participate, we can send you magazines to hold up.

### New Committee Leaders

More and more people are stepping up to help keep bUneke alive and we are super grateful! We have established committees and our leaders are running with them! If you want to help on these or other committees, just let us know.

- o Administrative (Ananda Rose)
- o Editorial (Mary Brotherton)
- o Events (Hev Michel)

- o Grants (Martha Watts)
- o Productions (Tony Taylor)
- o Public Relations (Pete Estrada)
- o Research (Yolanda Acosta)
- o Social Media (Dale Velie)
- o Sponsorship (Pete Estrada)

## **bUneke EXPO**

The board and committee members voted to hold our first Expo in 2024, rather than waiting for next year, so we will have it on November 16 at Merritt Square Mall. Even if you aren't local, please share our posts about it, because you never know who in your circle might want to know about it. We are always looking for sponsors for this and other projects.

**more!**

## **Volunteer of the Month**

Dr. Martha J. Watts is bUneke's volunteer of the month!

She's a writer, a donor, an advertiser, and sits on the board of directors. She's the leader of the grant committee and she allows us use her Zoom account so our meetings aren't cut off at 40 minutes. As a member of the Titusville Chamber of Commerce, Martha is also working to help bUneke access their conference room for classes.

**But wait! There's**

Not long before our last board meeting, Martha's car was struck by another and she texted from the emergency room that she was prepared to start the meeting from her phone, regardless of where she located. She not only did that, but she participated in the entire meeting from the ER! Now that's a professional and dedicated volunteer!

Who would you like to see in this place next month? Send in your nominations (it's okay to nominate yourself) to [mary@buneke.org](mailto:mary@buneke.org)
