Hello, Friends of bUneke!

bUneke is a Global Storytelling Powerhouse for Positive Change!

bUneke works today to change tomorrow through professional storytelling that helps other charities be seen and heard.

What's New

bUneke Issue 28 was launched at MetaFest #7 on September 7th. This was the FIRST printed issue of 2024 and we led off with an international celebrity! Chris Hollyfield, former WWE champion wrestler, Little Boogeyman, not only appeared on the cover of bUneke

Magazine, he also took center stage at MetaFest #7 and impressed our audience with his anti-bullying message. You haven't heard the last of Chris's association with bUneke, though. Our outstanding film team of Pete Estrada and Tony Taylor will be meeting with president Mary Brotherton and Chris to discuss a documentary about his charity, Unique Heroes.

This issue has been redesigned and we welcome your comments on how it feels to you. After all, YOU are the reason we do this! Email your comments to us at connect@buneke.org or call/text Mary at 321-417-4309.

Did you know that in the six years since bUneke started, we have given a voice to more than 1,200 charities; artists, including visual, written, digital, and audio artists; philanthropic businesses; and individuals who align with our mission?

Have you met your Board of Directors?

Go to bUneke.org and scroll down to *Our Founders and Board* to learn a little more about bUneke's caretakers. You can also watch and read what others have to say about the charity and its leaders. We will be adding more as they become available.

YOUR bUneke Board of Directors holds a meeting on the 2nd Tuesday of each month, and as they also comprise the majority of various committees, they

meet much more often than that.

If you have been wanting to **become more involved** and would like to sit on one of our committees, just let us know! Email connect@buneke.org or call/text Mary at 321-417-4309 and she can get you started. Don't worry about not being local! You can join the Zoom meetings and give your ideas and wisdom from wherever in the world you live.

Introducing bUneke EXPO!

MetaFest #7 was the last of its kind. That doesn't mean bUneke has stopped holding amazing events for the public because we now have an energetic, brilliant team working to create a new event, called bUneke EXPO.

It will kick off early in 2025, along with our Voices in Print writers' workshops and photography classes.

While you wait for more details on bUneke Expo, why don't you visit [@MetaFest](#) on Facebook to check out all the photos and videos from previous MetaFest events?

**Until next month,
Your Team at bUneke**

PS: Remember to visit the website occasionally to see what's new there.
