

No More Sidelines

||

Absolutely amazing people, amazing families.

Some of the kindest people work hard to encourage our kids!

About

Our dream is for everyone to have a place to be accepted - have somewhere to belong, a place where inclusion isn't just a word, but a reality. We dream of a life where everyone succeeds and feels important about themselves and fits in amongst their typical peers. We imagine a life where friendships evolve and opportunities await everyone.

Our goal is to create more awareness of No More Sidelines and to continue its growth and participation. Your support, whether as a volunteer or through a monetary donation, will specifically be utilized to provide these opportunities and will lead to successful outcomes for those living with disabilities in our community.

Whether you get involved as a participant, a volunteer, or as a donor, we welcome and thank you for your support!
