Mailing Address

Is the project location the same as your mailing address?

How can I help you accomplish your landscaping goals?

What are the primary objectives for your landscape?

What is your design “style” preference?

- | | |
|---------------|-----------|
| * Formal | * Natural |
| * Semi Formal | • Native |

Is retention of existing native plants a desire?

Is sculptured or manicured a desired look?

Do you prefer a low -maintenance / low water use (xeriscape) landscape.

Who in your household enjoys gardening?

Is the time spent to maintain the landscape an issue?

Would you like to have an ongoing maintenance contract?

What is the water source for your landscape?

Would you consider a collection system from roof water to underground cistern?

Would you like to have an automatic sprinkler system?

If you already have one, is it working properly and giving you proper coverage?

Are there any easements or homeowner covenants that I need to be aware of?

Do you have special features in mind?

Are you considering outdoor lighting?

Do you want to attract certain kinds of wildlife with your landscaping?

Would you consider fencing to protect your landscape?

Do you have any favorite or not-so-favorite plants, colors, etc...?

Do you have allergies reactions to any plants or any plants you dis-like?

Would you like special areas for pets, children play areas?

Are you planning additional construction or development that may need to be considered in the landscape design?

When would you like to have your landscape design completed?

When would you like to have your landscape installation completed?

Are there maps or plans available?

Is a septic system map available?

Can property pins be easily located?

Are bird's eye view (plan view) drawings adequate or would you like additional elevation view sketches?

Do you have a budget in mind for your landscape project? (most projects start at \$25K)

Do you want this project to be completed in stages?
