Caribbean American

Pioneers of the Telecommunications Industry

Balan Nair

***PRESIDENT, CHIEF EXECUTIVE OFFICER AND
DIRECTOR OF LIBERTY LATIN AMERICA***

Balan Nair is president and Chief Executive Officer of Liberty Latin America. Liberty Latin America is an integrated telecommunications company, focused on the Caribbean Islands and Latin America. He is an experienced and proven business executive with more than 20 years in the telecommunications industry.

Balan has a long history of working in the telco industry, the web world, and now the cable and media industry. He sits on the boards of Charter Communications, a leading cable operator in the United States, Liberty Latin America, and Adtran Corporation. He graduated from Iowa State University, with a Masters in Business Administration and a Bachelor of Science in Electrical Engineering. He holds a patent in systems development and is a Licensed Professional Engineer in Colorado.

John Gomez

CHIEF OPERATIONS OFFICER CABLE BAHAMAS

As a transformational executive with foresight, John has an impressive history of surpassing ambitious business goals by delivering revolutionary technology innovations. A key achievement was the management and roll-out of digitalization over the entire network ahead of schedule.

John joined Cable Bahamas Ltd. in 2001 as Director of Engineering. In 2003, he was appointed Vice President of Engineering and in May 2016 he assumed his current position as Chief Operating Officer.
