

CORNHOLE TOURNAMENT RULES

These rules are adopted from the American Cornhole Association. We are adopting the following equipment specifications and standards and adding a few specifications for the spirit of our event:

THE BOARDS

1. Each board is a 47.75 by 23.75 inch rectangle made of plywood that is at least a 0.5 inch thick.
2. The hole in the board is 6 inches in diameter. Its center is 9 inches from the top and 12 inches from each side of the board edges.
3. The front of the board is 3-4 inches from bottom to top. The back of the board is approximately 12 inches from ground to the highest point of the deck.
5. The board finishes vary and the player must adjust their technique to find success.

PLAY OF THE GAME

Every match is broken down into innings of play. During an inning of play, each player must pitch all four of his/her bags. An inning is never completed until all players pitch all four of his/her bags. Team A competes against Team B; each team is comprised of two people.

1. Each team will stay in their designated lane for the whole game.
2. Players at the headboard will alternate pitching bags until each player has pitched all four of his/her bags.
3. Players at the footboard will take score and resume pitching back to the other board.
4. The top of an inning is completed when both players pitching from the headboard pitch all four bags; the bottom of the inning is completed when the remaining players pitching from the footboard pitch all four bags.

VALUE OF THE BAG

The approved method of scoring for the sport of cornhole is "cancellation" scoring. In cancellation scoring, the points of one player cancel out the points of their opponent. Using this method, only one player/team can score in each inning.

Bag In-The-Count (Woody): Any bag which comes to rest anywhere on top of the board. Each is worth one (1) point.

Bag In-The-Hole (Cornhole): Any bag which is thrown through the hole or knocked through the hole by another bag. Each is worth three (3) points.

Foul Bags – Refers to any bag that has not been determined as Bag In-The-Count or Bag In-The Hole or was designated a foul bag as the result of rules violation

PITCHING ROTATION DURING THE GAME

The player who scored in the preceding inning has honor pitching first in the next inning. If neither player/team scores, the player/team who pitched first in the preceding frame shall retain first pitch in the next frame.

POSITION OF PLAYERS DURING PITCHING

1. The pitcher must be within the pitcher's box or behind the foul line at the time of release.
2. A player must pitch all four bags from their designated pitcher's box.
3. Players must pitch the bag with an under-hand release.

FOUL BAGS

1. The following are rule violations that must be spotted and called by a player or assigned judge. The penalty is to declare the bag a foul bag, which requires the bags to be removed from the court prior to resuming play. A foul bag is defined as:

- (a) Any bag pitched when the player has
 - (i) made contact with or crossed over the foul line, or
 - (ii) started or stepped completely outside the pitcher's box before the bag is released
- (b) Any bag not delivered within the 20-second time limit
- (c) A bag pitched from a different pitcher's box than the first bag
- (d) Any bag that contacted the court or the ground before coming to rest on the board
- (e) Any bag that struck a previously defined object such as a tree limb, wire, indoor court ceiling, etc.
- (f) Any bag removed from the board before scoring has been agreed upon for that bag
 - (i).The offending team (who touches the bags) forfeits all remaining bags and tallies the score of just the bags thrown before the foul was reported
 - (ii).The non-offending team tallies twelve (12) points as if they had thrown four Bag In-The-Holes (Cornholes) during the inning

2. A bag that leaves a player's hand once the final forward swing of the delivery process has started shall count as a pitched bag.

3. A bag that is accidentally dropped by a player before the final forward swing has started shall not be considered foul and may be picked up and pitched. Protests – If a player desires to make a protest, the protest is made to the judge or official at the time the problem occurs. The judge shall make the final ruling on all protests.

LENGTH OF THE GAME

The game is played to the predetermined number of twenty-one points. The first player/team to reach (or exceed) that amount at the conclusion of an inning is the winner.

Games will be limited to 40 minutes in length. At the end of the regulation time the team with the most points scored will be deemed the winner. Should the score be a tie at the end of the regular match time, a sudden death match will begin.

Sudden death will start on whichever side had the bags are located at the end of the regular match time. That side will be the top of the inning. Once the inning is complete, both top and bottom, the team that scores the most points will be determined the winner. This will continue until we have a winner.
