## Step Five continued

Next, you will be asked to enter your Social Security Number (SSN) for verification. This information will be kept private.

Please Note: Make sure the first and last names match what's on your social security card.

You only have TWO chances to enter your SSN number correctly. If the verification process fails, you will not be able to continue on the Arise network. Reasons for failing the SSN verification include: if the SSN is less than 2yrs old or if you have recently changed your name after a divorce/marriage.

The screenshot shows the Arise website interface for registering as a service partner. At the top left is the Arise logo. At the top right are links for "Getting Started" and "Log Out". The main heading is "REGISTER AS AN AGENT WORKING FOR A SERVICE PARTNER ON THE ARISE® PLATFORM". Below this is a sub-heading "Enter Social Security Number" and a paragraph explaining that the SSN will be validated and kept private. There are four input fields: two empty, one labeled "Social Security Number (required)", and one labeled "Confirm Social Security Number (required)". At the bottom of the form are "Edit name" and "Next" buttons. To the right, there are two alternative registration options: "Do you want to work for yourself without establishing a formal company?" with a "Register as a Sole Proprietor" button, and "Do you have your own company? Will you have others on the Arise® Platform?" with a "Register Your Company" button. A large purple arrow points from the right side towards the SSN input fields. At the bottom right, there is a promotional banner for a video titled "Need help deciding? Learn more about your" with a play button icon and a cartoon character.

### IMPORTANT:

If you see the message 'SSN already exists', it means you have previously registered. You should NOT create a new profile. If you remember the email address you used to create the previous profile, go to [portal.arise.com](https://portal.arise.com) and log in. You can use the *Forgot Username/Password* feature to retrieve that information.

**Step Six**  
Enter either the FEIN or Service Partner ID (IBID) that the Service Partner you will be working for provided, then click 'Search.'  
  
Once that Service Partner has been verified, hit "next".
