

As a 180 Degree Farm employee you will have an opportunity to learn from our 13+ years of running 180 Degree Farm, no experience needed! You only have to be willing to work really hard, have a positive attitude and a passion for growing organic, nutrient dense food! We'll teach you all you need to know and more about vegetables, fruit, citrus, cut flowers and pasture raised animals. You'll learn (hands on) all aspects of farming as we evolve through our growing season.

About us: 180 Degree Farm is a 501c3 non-profit, located in Sharpsburg, GA. We feed families fighting cancer through our Food Fight Program. We grow organic fruits, vegetables and cut flowers, and raise layer chickens.

## **Part Time Farm Crew Member Job Description**

The Farm Crew Member reports to and assist the Farm Manager in daily farm tasks.

### **Educational Experience** - You'll learn...

- The entire process of starting seed which includes mixing our proprietary seed starting soil, planting the seed, germination methods, and water maintenance.
- How to build new rows for planting a variety of crops. This includes broadforking, mixing, spreading and tilling amendments into each row, installing irrigation, weed suppression, and depending on the season you'll also help with setting up our caterpillar tunnels for winter production.
- How to work with our animals. This includes feeding, watering, and managing the rotational grazing of our chickens and ducks.
- How to properly harvest, wash, and pack a variety of fruits and vegetables (occasionally flowers).
- How to create compost and leaf mold compost.
- How we succession plant our crops.
- How we turn over an exhausted crop into a fresh new row ready to be planted again.
- How to transplant 60+ vegetables and fruits.
- How to prune fruit trees, grapes and muscadines.
- How to install trellis and plant support systems.
- A variety of general farm maintenance, repair, and construction techniques.

### **Hours and Pay**

Please note, this job is extremely physical... there is a lot of squatting, kneeling, walking and heavy lifting. Be prepared to be outside during the heat, cold or light rain.

Hours are 9 am until 1 pm, Monday through Friday (occasional Saturdays) and can vary due to weather. Part time positions start at \$12 per hour and increase based on experience.
