Welcome to wintery Florida weather this month. It is mostly always sunny here, but it ain't always warm.

At the January meeting two vacant seats on the Board of Directors were filled by a unanimous vote from the members present. The position of President was offered to our newest member Craig Kessler who graciously accepted the nomination. Craig has supported Nassau Blue faithfully at our annual Reunion over the years and will bring new energy to the organization.

Bonnie Morello has faithfully attended Nassau Blue monthly meetings, BBQ's and Reunions, working in support of the events. She, along with other member spouses, became a full Nassau Blue member under the By-Law changes passed last year. With the passing of our Treasurer Ed Graham, she volunteered to fill the position. Bonnie was elected by a unanimous vote of the members. Since assuming the Treasurer's position she has worked diligently overseeing the updating of finances of the organization. Thank you to Craig and Bonnie for stepping up and filling these important positions.

The 2026 Nassau Blue Reunion took place at the Ramada Hotel, Kissimmee, Florida, January 29<sup>th</sup> to February 1<sup>st</sup>. Our Board members worked hard planning and setting up the hospitality room and gathering supplies for the event. Joe Grella installed the new Memorial Plaques for Dick Boza, Ed Graham and John Bruns. Unfortunately, many of our regular attendees who signed up to attend could not make the Reunion because of medical situations

or weather related issues. Those who attended enjoyed reuniting with work friends, had daily snacks and a variety of beverages. Everyone was treated to a buffet dinner supplied by Mission BBQ on Saturday evening. It might have been cold for a couple of days, but it was a warm Reunion. We would like to thank the Nassau County PBA for their generous support of this Reunion as they have done for many years. Thank you to Seb Piccione for being our resident photographer. Preparations for a 2027 Reunion will begin soon.

Nassau Blue is looking for new members. If you are retired from any Nassau County Police Dept., and live in Central Florida we invite you to attend one of our Saturday meetings. Members are welcome who live outside the area, also.

A few years ago a flying saucer landed at a petrol station in rural Caithness.

The two space aliens inside seemed completely unconcerned about detection; in fact, the letters "UFO" were emblazoned in big, bold letters on one side of their shiny craft.

As the owner stood and gawked in silence, paralysed with shock, his young blonde attendant nonchalantly filled up the tank and waved to the two aliens as they took off.

"Do ye realise whit chist heppened?" the station owner finally uttered.

"Yeah," said the blonde . "So?"

"Didna ye see e space aliens in at vehicle?!"

"Yeah," repeated the blonde. "So?"

"Didna ye see e letters 'UFO' on e side oh at vehicle?!"

"Yeah," repeated the blonde . "So?"

"Dinna ye know what 'UFO' means?!"

The blonde rolled her eyes. "Good grief, boss! I hev been workan ere for six years. Of course I know what 'UFO' means

'Unleaded Fuel Only.'"
