We must apologize to the attendees at last month's meeting for a missed communication with Ihop. The meeting room was unavailable to us for the meeting. However, the regular eating area was empty, so we proceeded to hold our meeting there.

Our Treasurer and Recording Secretaries were excused. Angela Maggio presented the April Meeting Minutes to our President Craig, who read them. Andy Schneider read the Financial Report showing we are financially sound. There were no outstanding bills to be paid. Both reports were passed by the members without discussion. Angela volunteered to take the minutes for the May meeting in Fred's absence.

Corresponding Secretary: The Nassau Blue By-Laws have been updated and rewritten. Copies were sent to the Board Members for review. Any additions or corrections will be discussed at the June meeting. If the rewritten By-Laws are accepted I will make copies available to the membership on request. We had a lengthy discussion about where to hold the 2027 Annual Reunion. The discussion revolved around whether to have it held on a short 3-day cruise or return to the Ramada. A cruise would be easier for the Reunion committee regarding set-up and takedown days, purchasing supplies and food. A cruise would involve scheduling, pricing, accommodation, departure time, location and required identification and destinations. Other considerations are for reunion attendees who want to go to attractions or play golf. This issue should be resolved at the June meeting.

Membership information is being updated by the Corresponding Secretary.

Lately I've been receiving notifications of the publication being returned as undeliverable. Members who have not received the newsletter should notify Nassau Blue with their new information. If you know anyone who this pertains to, please notify them. I have been looking through the returned accounts, and I am trying to correct them. This is not easy. If I don't get a return address with the returned mail I can't find you.
