

Dear Ambassadors and Partners of The Secret Place of Worship Fellowship Church,

Greetings in the mighty name of Jesus Christ! It is with great joy and anticipation that I write to share a vision God has placed upon my heart for our church. As we continue to grow and see lives transformed by the power of God, we find ourselves at a pivotal moment—a season where the Lord is calling us to expand into a new church home, one that will serve as a center of worship, growth, and outreach for our community.

### **A Vision for Expansion**

God has given us a vision to establish a new building that will accommodate 100-200 seats in the sanctuary, with ample room for our thriving congregation and new souls hungry for the truth of the Gospel. This vision includes three classrooms for children, a dedicated youth area, a bookstore, a welcoming reception area, a fellowship hall that seats 100, a greenroom, and office spaces for Prophet and Lady C, complete with restrooms. In addition, this facility will house a conference room, three additional office spaces, spacious restrooms for both children and adults, plenty of parking, and all the equipment necessary to carry out effective ministry. We envision fully equipped media and audio systems, an LED wall, kitchen amenities, and every piece of furniture needed—an entire facility, fully constructed and furnished, to meet every need of this ministry and our community.

## **Believing for Divine Favor**

This vision is bold, and it calls for divine favor in every area. I am asking each of you to join me in fervent prayer for God's provision and guidance as we move forward. We are believing for favor with land acquisition, equipment providers, bankers, supporters, givers, and those with the resources to invest in Kingdom work. We call forth realtors, business owners, and millionaires whom God has appointed to partner with us in this endeavor. May God touch the hearts of those who can support this vision financially and bless those who stand with us as givers.

We declare that everything for this new church building—land, equipment, construction, and furnishings—will be paid in full. Just as God released what belonged to the children of Israel, we are believing that He will release every resource, every open door, and every connection needed to bring this vision to life. May He go before us, showing us the exact place He has prepared for us, and may every financial need be met without delay.

## **A Harvest of Souls and Laborers**

Alongside this vision for a new building, we are praying for a mighty harvest of souls. Our goal is not just to build a physical space but to create a home where new believers will find refuge, where families will grow in the faith, and where the community will encounter the transforming power of Jesus Christ. We ask God to send laborers—those with a heart for ministry, people who are committed to serving with excellence, and those ready to see lives changed for His glory.

## **Walking by Faith**

The Word tells us that “faith is the substance of things hoped for, the evidence of things not seen” (Hebrews 11:1). We are believing by faith for a new church home that will be a beacon of light and hope, a place where lives are changed, and God’s name is glorified. Together, let’s stand in faith and believe that God will bring this vision to pass.

Thank you for your faithfulness, your prayers, and your commitment to The Secret Place of Worship Fellowship Church. This vision is not mine alone—it belongs to all of us, as a community and as children of the Most High. Together, let us watch as God’s favor brings every detail of this vision to life.

With gratitude and expectation,

**Prophet Derek Nichols Jr**

Senior Pastor, The Secret Place of Worship Fellowship Church
