ADP® Professional Services
Sage 100 Contractor Integration

Offered by

Callisto Technology LLC.
BUSINESS SOLUTIONS AND SERVICES BEYOND THE CLOUD

You have invested in ADP Workforce Now® to help your HR team be more efficient and create an employer-of-choice environment. You also decided to utilize Sage 100 Contractor ERP. Why perform dual maintenance on each of your critical systems?

With the ADP Professional Services' Sage 100 Contractor integration, we will reduce the amount of manual effort you spend maintaining your systems and data errors. As many of the elements required in both systems need to be kept in sync, we will generate transactions that will update your Sage 100 Contractor system. Chose which data to synchronize based on your business needs.

	Employees Transactions will be created automatically for the following events that occur in ADP Workforce Now®. <table><tr><td>New Hires</td><td>Rehires</td></tr><tr><td>Terminations</td><td>Leaves of Absences</td></tr><tr><td>Transfers/Promotions</td><td>Employee Data Changes</td></tr></table>	**Timecard Entry** Use ADP Workforce Now® Essential Time to prepare and capture field time. Import the time back into Sage 100 Contractor as a Daily Payroll. Eliminate the need to rekey time into Sage 100 Contractor increasing the chance for human errors and incorrect billing.
	Cost Codes Synchronize your ADP Workforce Now® into Sage 100 Contractor and eliminate duplicate entry and reduce errors.	**Journal Entries** Let ADP Workforce Now® create your payroll journal entries and automate the import into Sage 100 Contractor.

	Security
	
	• All data obtained from Workforce Now® is accessed via industry standard authentication methods.
	• The application is hosted in a secure environment provided by Microsoft Azure where all credentials are "vaulted" for security.
	• Update transactions sent to Costpoint are done via secure FTP.
		Frequency
		
		• You can generate and update Sage 100 Contractor on a frequency that meets your business needs.
		    o Hourly
		    o Daily
		    o Weekly
		    o Per Payroll Cycle

ADP's Professional Services consultants are here to help you maximize the return on your technology investments.
