

# ADP® Professional Services

## Deltek Costpoint Employee Integration

Offered by

**You have invested in ADP Workforce Now® to help your HR team be more efficient and create an employer-of-choice environment. You also decided to utilize Deltek’s Costpoint ERP. Why perform dual maintenance on each of your critical systems?**

With the ADP Professional Services’ Costpoint Employee Onboarding and Updating, we will reduce the amount of manual effort you spend maintaining your systems and data errors. For each critical business event made in Workforce Now, we will generate an update transaction that will duplicate the change in your Costpoint system.

	<p><b>Business Events</b></p> <ul style="list-style-type: none"> <li>• New Hires</li> <li>• Terminations</li> <li>• Rehires</li> <li>• Leaves of Absences</li> <li>• Transfers/Promotions</li> <li>• Employee Data Changes</li> </ul>		<p><b>Frequency</b></p> <ul style="list-style-type: none"> <li>• You can generate and update Costpoint on a frequency that meets your business needs.             <ul style="list-style-type: none"> <li>○ Hourly</li> <li>○ Daily</li> <li>○ Weekly</li> <li>○ Per Payroll Cycle</li> </ul> </li> </ul>
	<p><b>Security</b></p> <ul style="list-style-type: none"> <li>• All data read from Workforce Now is accessed via industry standard authentication methods.</li> <li>• The application is hosted in a secure environment provided by Microsoft Azure where all credentials are “vaulted” for security.</li> <li>• Update transactions sent to Costpoint are done via secure FTP.</li> </ul>		

ADP’s Professional Services consultants are here to help your development team maximize their efforts, increasing your likelihood of receiving a better return on investment.
