

Are you struggling to find baby formula to feed your baby or child with special dietary needs?

Worcester has successfully procured the first shipment of baby formula to be distributed to key food pantries in the city to help families. We have plans for shipments to continue over the summer, until this crisis is over.

Contact the WORCESTER FAMILY RESOURCE CENTER

20 Cedar Street, Worcester, MA 01609

Mahly Alejandro

Site Director

Phone: 508.796.1411

Email: malejandro@sevenhills.org

The FRC is the coordinating partner in this effort. They are tracking our local data so we understand our local needs, they are coordinating between sites to ease access for families and they can connect families to additional resources as needed.

Find the closest pantry for ease of access, a list of the sites, hours, and contact people

If you need specialty formula due to specific dietary needs, please call first to be sure they have what you need. If they do not, call FRC and they will help you find it.

Always keep in touch with your family doc or pediatrician to monitor your child's nutritional need
