

## Our Oil and Gas 101 Field Trip was a great success!

We could not have pulled it off without the generous contributions from the following companies and organizations;

**Energetic Services** for donating the magnificent bus and super cool bus driver Jody!

**Birchcliff Energy Ltd** for providing the Philip J Currie museum as a venue!

**NuVista Energy Ltd** for providing our breakfast and lunch and informative tour of their water hub!

**Pipestone Oil Corp.** for providing an amazing drilling rig tour!

**TransCanada Corporation** for providing an informative session on a horizontal directional drill under the Wapiti river.

**Pembina Pipeline** for providing the handouts in partnership with the **Farmers Advocate Office** and **Tervita Corp** for donating the hand warmers!
