

Please Join Us At Our **OPEN HOUSE**

Come learn about our new proposed Projects.

Pembina Pipeline Corporation (Pembina) is proposing to construct and operate the Smoky Area Development to be located along the La Glace-Valleyview-Fox Creek corridor. The Projects include:

- Upgrading Pembina's La Glace Pump Station to include additional pump station equipment
- Construction and operation of an approximately 149 kilometre, 20-inch diameter pipeline between Pembina's La Glace Pump Station and Pembina's Valleyview Pump Station
- Expansion of Pembina's Valleyview Pump Station to include additional pump station equipment
- Construction and operation of an approximately 84 kilometre, 20-inch diameter pipeline between Pembina's Valleyview Pump Station and Pembina's Fox Creek Pump Station.
