

# Road Construction Taking Place on Township Road 720

Encana and the County of Grande Prairie have partnered to improve the condition of Township Road 720 from Range Road 90 to Range Road 92.

Work is scheduled to begin in early June and is expected to be completed by the end of July, weather dependent.

There will be disruption to traffic, including alternating partial and full road closures while the work is underway. Please use alternate routes.

We appreciate your patience.

**If you have questions, please contact the  
County of Grande Prairie at 780.532.7393.**
