

# Please Join Us At Our **OPEN HOUSE**

## We would like to share our plans with you.

Veresen Midstream is proposing to construct and operate an approximately 65 kilometre, 12-inch diameter pipeline between our Hythe Brainard Gas Plant, located northwest of Hythe, Alberta and a third-party field battery north of HualLEN, Alberta.

To learn more about the proposed development, you're invited to our upcoming Open House in Goodfare, Alberta on **April 2, 2019**. The Project team and staff from our Hythe Brainard Gas Plant will be on-hand to answer your questions. Food and refreshment will be served.

**TUESDAY,**  
**APRIL 2, 2019**

**4:00 PM – 8:00 PM**  
Goodfare Community Hall

For more information about Veresen Midstream, or the proposed project, please email us at [welisten@veresenmidstream.com](mailto:welisten@veresenmidstream.com)
