All dogs are taken out in small groups based on size and personality. Family units stay together in a designated yard. Individual playtime is also an option when requested or needed. Your pet will enjoy as much outside time as the weather here in North Texas will allow. Quiet time is observed from 10am to 3pm. When the weather is not cooperative, we will also have indoor play time. Our guests enjoy a large individual suite with elevated dog beds. We also do a last bed check/potty break around 9pm.

We ask upon arrival that all our guests be on a leash when coming into our facility. We will place a temporary label on their collar during their stay. Please bring their food from home along with any special instructions to avoid tummy upsets. You are welcome to bring toys which will remain in their suite only. We have elevated beds for our guests to enjoy and you are welcome to bring their bed or crate for their comfort. We provide stainless steel water bowls and feeding dishes that are sanitized daily. We ask that all items you bring from home are labeled well. If they should run out of food, you will be charged accordingly for the use of our product, or a \$20 trip fee and the cost of the food if necessary.

We will also provide a "freshen up" bath before going home for any guest staying more than 4 nights.

You will receive booking confirmation and an invoice from Square for your pet's stay. **ALL balances are due at drop off.** Additional charges incurred during their stay will be due upon pickup.

Patti will contact you the day before arrival to get an estimated drop off so we can be ready to greet you and your pup. The same will apply for pickup so that we can make sure your pup receives a freshen up bath and a potty break before your drive home.
