### Coach's Report – Coach O

- Alumni game was a lot of fun. With several old players coming out to play.
- Warwick scrimmage moved to March 15<sup>th</sup> @ 4pm. Instead of us going to them, the game will now be played @ Palmyra. The original date of March 12<sup>th</sup> interfered with SAT testing that day.
- Downingtown scrimmage still on Saturday March 19<sup>th</sup> @ Downingtown. With 3 games played that day.
- Hallway workout every Tuesday and Thursday and Saturday stick skills have resumed and will continue until the start of the season.
- Grades - it is very important that players stay up on their grades. They should use all the resources around them if help is needed. Several upperclassmen are available to help, teachers are available for before school and after school help. There are also several of our own lacrosse coaches that are good sources to go to if help is needed.

With very low temperatures expected in the mornings this will allow for consistency with practice. If there is unseasonably warm weather predicted coach will evaluate the temps and field conditions. In the event that practice is moved to the HS turf field that will be communicated on the REMIND app. We will also cancel our field time at in the net and receive a credit from them for future usage.
