

Volunteer Opportunity!

ATTENTION GOLFERS & FANS

Volunteer registration is NOW OPEN for the *ORCA Golf Bags Women's Match-Play Championship* presented by PXG.

The Orca is the first professional women's golf tournament in Jacksonville since 1976 and the first ever in St Johns County, and we're inviting you to volunteer with the hope that you'll support this amazing group of young women.

The Orca is a unique two-week event featuring a 54-hole Stroke-Play tournament at King & Bear, October 25 – 28, and a 64-player Match-Play tournament at Slammer & Squire, starting on November 1.

We're collaborating with women's initiatives group Generation W to provide programming outside the ropes. And we're raising money for INK!, to help fund underserved public schools in our market.

Tournament and volunteer information can be found on the event website, TheOrcaGolf.com, or you may email directly our Volunteer Chair, Joan Blecha at Blechajb@comcast.net.

Please join us as part of this meaningful tournament and to help welcome the future stars of the LPGA Tour to our amazing North Florida community.

THANK YOU!

PS: Tournament admission will be free, so if you're unable to volunteer, please come watch!
