Many of you were present for the General Membership Meeting on October 7. Head Pro, Wes Tucker, made a detailed presentation of the redesign and

renovation of the course. Details as well as a master rendering of the design can be found on the course website www.sjgc.com.

The course will be closed for renovations beginning in January 2022 with a scheduled re-opening in October 2022. During that time, LASJGC will continue to play as an organization. At the General Meeting, members discussed and voted on alternative courses where we will play. After much discussion the final decision was made to play each Tuesday at **Royal St Augustine** and each Thursday at **Palatka Golf Club**.

More details will be shared later concerning how to sign up and participate at our new locations.

In preparation for renovations, the course was sprayed with 3 different chemicals on October 25 & 26. The course will be sprayed again on November 8 & 9. This will occur in the afternoons and will not affect our Tuesday tee times. The spraying will result in a similar look to a really cold winter when the turf naturally goes off color and is dormant. The spray mix will have a green pigment added to it to help aid in the appearance. Playing conditions will be similar to dormant turf, and with it being dry, you can expect faster ball rolls through the fairways and rough.

A list of emergency contact information is being compiled and will be published as part of the Membership Roster. This information will be used In Case of Emergency (ICE) should any of our members have a medical emergency or other situation that requires us to notify a family member, friend, or other designated contact. If you have not already done so, please email your name with the name and contact information of the person you want notified to Lenore Allen at flenore.allen@gmail.com so the ICE tab on the directory will be complete and accurate.

Each Thursday we have Tournament Play with special games selected by Lorie Burningham, Tournament Chair. If you have signed up to play but need to cancel, **PLEASE TEXT LORIE** at lorieburningham@gmail.com by 7 am on Thursday so pairings can be modified.

Ladies—can't find that email from Anita about the last inter club? Check out the Website Home page to find the info.

Remember that the latest Handicap Index/Course Handicap sheet is also posted on the website under the GHIN button. You use your Handicap Index when you go to play other courses!

Our website is managed by Janis Croft and is a wealth of information. It is the Glue that Holds all our Activities Together!! Visit it OFTEN at **www.LASJGC.com**

Mimi Lenio

Mimi Lenio has been a golfer for the last 15 years. She took up the game in 2006 at the urging of her husband, to give them something to do together in retirement.

Professionally, Mimi was a consultant with Accenture, specializing in Change Management. Her focus was the Utilities industry.

Mimi can proudly claim THREE holes in one! She had her first one at St Johns Golf Club. It was a foggy day and no one saw it go in the hole. After searching and searching for the ball, Diane Sullivan said, "let's look in the hole!" And there it was.....

In addition to golf, Mimi loves to walk or do aerobics, ride bikes, learn about new wines, and travel.

Her favorite movie is De-Lovely and she says she must have watched it a million times! It is about Cole Porter and Mimi loves the music.

A favorite travel destination is Cabo San Lucas, Mexico where she and her husband spend every January. They enjoy the month there and golf some beautiful golf courses, take pleasure in the people and the local cuisine. It is also a great time to whale watch.

Mimi says she is hooked on the game of golf and loves playing with the Ladies!!
