Notes from our President - Jenny Little

Hello Trailriders,

Is it safe to say that winter might have arrived in the Topsham area? Sadly, the answer is not quite yet! I have to believe that February will turn winter around for us! I am certain that there are a lot of outdoor enthusiast that would be very excited to see ice and snow just as we would be. When the snow does arrive and it will rest assured TTR is ready to go! Please continue to check our website and Facebook page for trail updates.

However, despite the minimal snow that we've received we are certainly making the best of the winter season. We are looking forward to the upcoming Ski-Joring event being held at the Topsham Fair on Saturday, February 10th. If you have not already purchased your tickets please visit the www.topshamfair.net to get them. We will be there to help during the event but most importantly cheering on the participants!

Let's continue to wish for snow but as always be safe!
See you on the trails!
Jenny

I think everyone would agree that winter in the southern part of the state is hard to predict! It is either wicked winter or hardly winter at all! To our snowmobile members I hope you are traveling to get some seat time on your sled! I personally sold my sled this year to open a door on purchasing a side by side!

I like most of Topsham Trailriders members are counting the days till Spring. Let me feed the excitement with the following: As of 01/20/2024 there is only:

56 days remain till Topsham Trailriders possible first trail work party scheduled for 3/16/24

133 days remain till Topsham Trailriders possible first out of town ride in Pittsfield on 6/01/24

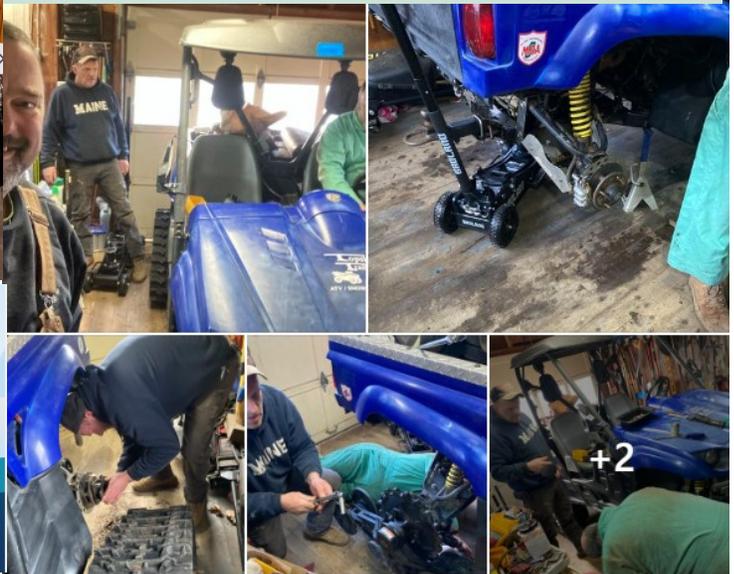

As a reminder, our ATV events and trail work parties have been posted on our Facebook page so please check them out. Remember to make your hotel reservations early if you plan on joining us during any of the overnight trips! As always if you would like to help during any of these events please contact me, Michael Little, Ride Coordinator, for Topsham Trailriders at 207-522-3780.

January Social Night Photos (continued) —We had 33 people show up! Impressive!

Thank you to Mike, Charlie, and Tim members of Topsham Trailriders for getting together in January to prepare the club's machine for winter. They removed the tires and installed our tracks in preparation for snow and our winter activities! Bring on the snow!!
