Notes from our President - Jenny Little

Hello Trailriders,

The weather outside is finally starting to warm up and the peepers are chirping which only means one thing we are nearing the beginning of ATV season. Please note that all of our club maintained trails are still currently closed so please respect our landowners and stay off the trails. If you are interested in getting out there on the trails though we do have a few official club trail work parties coming up that we would love to have you join us on. A few of the dates for the trail work events are May 11th, May 18th, and May 25th - all are welcomed to come and help us out. Similar to our other events we've created a Facebook event for each of the dates and we will post updates on each of the trail work parties as they are needed. If you are not on social media, please do not hesitate in reaching out to either myself or our trailmaster – Charlie Parkinson.

And remember Topsham Trailriders is always looking for folks just like yourself to help us out both on and off the trails. We are a fun and easy-going group to be around, community focused group of folks who work to enhance ATV and snowmobile recreation in Topsham area. I promise if you give us a shot you wouldn't be disappointed. If you would like to help us out please do not hesitate in contacting me or send an email to and we will get in contact with you: info@topshamtrailriders.com

As always be safe and we will soon see you on the trails!

DRIVE SAFELY ON TRAILS

Notes from the Ride Coordinator

The riding season will soon be upon us but first we do still need to do some much needed work on our trails.

Please navigate to the events page on our Facebook page and website for a listing of all of the trail work parties coming up including details about each party. I am hopeful that these events will be as successful as our early season parties have been. As a reminder, our 2024 ATV events including the trail work parties have been posted on our Facebook page so please check them out. As always if you would like to help during any of these events please contact me, Michael Little, Ride Coordinator, for Topsham Trailriders at 207-522-3780.
