Notes from our President - Jenny Little

Hello Trailriders,

It's officially Spring folks which only means one thing – we are even closer to riding season! Before you begin your season though, please be sure to renew your annual club membership with Topsham Trailriders as they expire at the end of April. Our forms can easily be acquired on our website (www.topshamtrailriders.com) by navigating to the More tab and clicking on the Club Documents. Or, if you prefer you are welcome to remit an email to in-

fo@topshamtrailriders.com and we are happy to send a form to you. We appreciate all of the folks how have already renewed their dues and please know that your contribution goes a long way and helps us improve our trails. We are optimistic that we will be able to host our first work party of the season on Saturday, April 12th .

If you are interested in helping out, please continue to check both our Facebook page along with our website. All are welcomed to help you do not need to be a member! I know everyone is itching to get out on the trails so here is one way to do that! Come on out and join us!

As always be safe and we will soon see you on the trails!

Jenny

E News from our Ride Coordinator

V The riding season will soon be upon us but first we need to do some much needed work on our trails. Please consider coming out and joining us during our upcoming work parties. We always appreciate seeing new faces while getting some trail work done!

S Also, just to keep everyone on the same page as of March 31st, only 68 days remain to our first out of town ride provided the conditions allow for it. The ride is Ken Snowdon's Memorial Ride which is scheduled for Saturday, June 7th when we ride from Pittsfield to Greenville.

2 As a reminder, our 2025 ATV events and trail work parties have been posted on our Facebook page so please check them out. As always if you would like to help during any of these events please contact me, Michael Little, Ride Coordinator, for Topsham Trailriders at 207-522-3780.

Mike

A reminder that Topsham Trailriders is still collecting bottles for our future clubhouse! There are a few easy ways to get your bottles added to our search. Please contact us for options on how get your bottles to us!

Assistant Trailmasters: Sam
Bulmer (West Side)
Isaac Ruehl (East Side)
Brad Hoskins (East Side)
James Belanger (Winter)

Let me begin by stating that ALL trails in Topsham are currently closed. We anticipate that the trails will need a lot of work in order to prepare them for the opening of the season this year. We currently have two trail work parties scheduled during the month of April to help kick this off. The first one is on Saturday, April 12th and I am fairly certain that this work party will be held on our East side of our trail system. The other work party date is for Sunday, April 27th and at this time I am unable to say where the work party will occur. If you would like to join us during either of these work parties, please arrive by 7:45 am and be ready to work for 8 am. Additional information about these work parties will be added onto our Facebook page as well as the TTR website. Anyone is welcomed to join us during these work parties. Please do not hesitate in contacting me with any questions.

An important reminder that using an ATV on a closed trail during mud season is a crime but also a great way to get trails shut down. Please stay off the trails! We would appreciate it if you do see anyone on the trails or getting ready to head out on the trails, please remind them that the trails are closed. We will remove the closed signs and chains when we feel they have dried up enough for use and we do not have a date at this time as to when that will occur. We couldn't do what we do without the help of many and I would like to take the opportunity to thank the assistant trailmasters for all that they do for both myself and for TTR. Allow me the opportunity to introduce our Assistant Trail Masters to all of our followers.

Brad Hoskins

Not only is Brad an Assistant Trailmaster but he is also a TTR landowner. Brad like most spends quite a bit of time keeping the trails cleared and ready for all to enjoy using. Brad and

his wife are long term residents of Topsham.

Sam Bulmer

Sam is another local Topsham resident who has been part of the TTR trailmaster crew for a couple of years now. Like Isaac Sam has been around wheelers for a good part of his life and

he proven to be a great resource for TTR.

Isaac Ruehl

Isaac is the newest addition to the trailmaster crew. He may be the new guy on the roster but Isaac has been wheeling for a vast majority of his life. It's

great to see another local coming aboard and giving back to the Topsham community.

Jim Belanger

Jim is a long-term resident of Topsham who has been our winter trailmaster for many years now! Jim, we can't thank you enough for all that you do for us. We know that grooming our

trails is no easy task!
