

We are a family-owned campground celebrating over 50 years in business. Our season begins May 1st and ends October 15th. We have 92 campsites and 5 rental cottages located on all-sports Marble Lake in Quincy, Michigan. Marble Lake is part of the South Chain of Lakes which is composed of 7 lakes spanning over 17 miles (2,700 acres). The South Chain is perfect for water sports, fishing, and swimming, with several sand bars for parking and relaxing in the sun.

We have a large, sandy beach for the kids, swimming rafts for both the little ones and the bigger kids, and a playground. We also have a large camp store offering candy, pop, water, beer, wine, live bait, groceries, camping supplies, wood, ice, "Lakegirl" brand and misc. clothing, gifts, and our AWARD-WINNING hand-dipped ice cream you can enjoy in our homemade waffle cones!!

So come stay with us and dock your boat in our channel during your stay. Don't have a boat? We offer pontoon rentals!
