IDAHO
ANTI-TRAFFICKING COALITION

Mission, Vision, & Core Values

The mission of the Idaho Anti-Trafficking Coalition is to work alongside community members in providing awareness, education, services, and safe housing for victims of human trafficking.

Our vision is to create a safe environment where individuals can receive appropriate services and support, and when necessary, safe housing, in order to work on healing, restoration, recovery, and independence.

We believe in the following **core values**:

1. All individuals have the right to be treated with dignity and respect.
2. All individuals should have access to needed services that achieve optimal outcomes.
3. All individuals should be empowered to exercise informed consent.

Funding & Data Reporting 2022

In addition to community donors, the Idaho Anti-Trafficking Coalition relies on two main funding sources, a subgrant from the Idaho Council on Domestic Violence and Victim Assistance and a subgrant through the Idaho Department of Health and Welfare.

On an annual basis, Idaho Anti-Trafficking Coalition receives \$333,987 and \$23,133 from these sources, respectively. A requirement of these funding sources is data collection. Idaho Anti-Trafficking Coalition is the first organization in the State of Idaho to be officially collecting data on human trafficking. All classifications and metrics are created by and reported to the Idaho Council on Domestic Violence and Victim Assistance.
