

Idaho Anti-Trafficking Coalition, Inc. - Solace House exists to provide a home with 5 - 10 beds for children and youth 11 to 17 years of age who are either suspected of/or identified as victims of sex trafficking. Solace House serves youth in Idaho, but will collaborate with other states throughout the United States as a possible placement.

The mission of the Idaho Anti-Trafficking Coalition, Inc. - Solace House is to work alongside community members in providing awareness, education, services, and safe housing for victims of human trafficking.

Idaho Anti-Trafficking Coalition, Inc. - Solace House will strive to ensure that the emotional and social needs of all youth are met. Solace House collaborates with appropriate psychiatric, psychological, and counseling professionals in order to provide comprehensive treatment services as well as community engagement and social outings for the purpose of restoration and rehabilitation.

Idaho Anti-Trafficking Coalition, Inc. – Solace House will strive to ensure that the mental and physical needs of the children and youth are met. Solace House collaborates with local physicians, dentists, optometrists, and other professionals to provide for all health care needs.

Our goal is to provide trauma informed care and a comprehensive set of mental health and social services in order for youth to heal and learn. Children and youth at the Solace House will learn how to interact appropriately with their peers, independent skills, and education in order to return to their families. We strive to give our children and youth the supports necessary to be as self-sufficient as possible and successful in the pursuit of their own personal goals and ambitions.
